

Danny Aguilar Marín

Software Engineer

Professional services

I am delighted to present you with a proposal to develop an interactive website for your business. As a software engineer, I guarantee custom design, interactive development, mobile optimization and content management, all at a competitive price. We will take care of online administration and display, allowing you to focus on your business while ensuring an effective online presence. We are committed to providing quality service that meets your business objectives. I look forward to working together to take your online presence to the next level!

Site development and web hosting

Includes:

- Style of the landing page site: You will be provided with a high-quality style to your liking
- COM domain (www.elsitio.com): It is provided free of charge for acquiring the website.
- https:// security protocol: Providing trust and security for you
- Website development: The landing page will be created with the best technology and design
- Photo gallery: Graphic representation of your product
- WhatsApp Chat: For easy and effective communication
- Site storage on web hosting: your site in a safe place
- 5 web sections: Presenting your information in a clear and organized way

Total to pay from the website: 250,000 colones

Total to pay for web hosting:

You can choose one of 2 ways:

Form #1

Annual hosting: 120,000 colones (paid once per year)

Form #2

Monthly hosting: 10,000 colones (paid per month)

IMPORTANT NOTES

- The domain is paid once a year, if the proposal is finalized it is given free for the first time.
- To start the development of the website, 50% must be deposited in a bank account and the other 50% must be deposited when the website is delivered.
- The website has basic web accessibility.
- Future updates to the website will be charged separately. They are NOT high prices.

To agree 100% with the web quote you must write your full name, ID and sign digitally or scanned
